LETTER OF AUTHORIZATION

I hereby authorize Northeast Energy Advisors (NEA) to solicit and negotiate electric generation and/or natural gas supply proposals on my behalf. This authorization allows NEA and / or any other 3rd party PAPUC Licensed Electric Generation Supplier(s) that are in receipt of this LOA to request and obtain necessary historical, interval and relevant capacity and transmission obligation data as necessary to provide a pricing proposal. I understand that pricing obtained through NorthEast Energy Advisors *may* include a supplier paid transaction fee for their services. This authorization supersedes any similar authorization currently in place. I understand that I am under no obligation to accept *any* energy supply proposal from NorthEast Energy Advisors.

 Yes, I would like to know how NorthEast Energy Advisors can help my company go GREEN!
